

June 19th, 2024 NBNA Board Meeting

Board Meeting was called to order at 9 AM.

In attendance: Cheryl Bland, Sue Sharp, Tom Heckenberg, Kimberly Brown

We have members 147 members and 16 associate members.

Last year after the annual meeting we gained 17 more members.

Jeremy Hill will be mowing the pond – it is \$400 for the initial cleanup. We are a little over budget on the ongoing mowing, but we cancelled Zoom membership so we might even out.

We have \$6111.91 for projects and \$2000 reserves.

Sue is to reimburse herself for the \$400 mowing.

The stair project wont work for the senior project, but shelves for the shed would be good.

Neighborhood watch updates: unfortunately Cheryl had a break-in at her place. A neighbor on Kittiwake as gone for the weekend and came home to her gates to her back yard wide open. Kim has requested the speed radar trailer and we are on the waiting list.

There is a new art teacher for Kim to collaborate with on a slow down sign project. Art teacher does not have an email address yet. If we can't work with the school to get this done, perhaps we can get together and do this with the neighborhood at the community center.

The Nedonna development meeting is on June 20th. So far the development has preliminary approval with a list of things the developer would need to do.

The garbage can is back at the Jetty parking lot.

We need to look into installing our beach trail signs.

There were fire concerns from a neighbor about brush clippings being thrown into vacant areas.

We should remind neighbors in an email when there is free yard clipping dumps again.

Kim will get the annual meeting sandwich board signs out the Sunday before the meeting.

Cheryl will supply clipboards for project signups.

We will have the fireworks signs available for those who want them.

The 3rd of July parade is happening!

We may look into purchasing a Nedonna Beach banner to have at the entrance encouraging neighbors to join.

The marsh shipwreck survey is being done to determine if it is the Emily Reed.

The meeting ended at 11 AM
